Authorized Ecommerce Retailer Program

• Do you want to broaden your business and expand your retail footprint?
• Are cuts to Medicare and Medicaid reimbursements hurting your business?
• Are you planning to develop an ecommerce website in the near future?
• Are you already running an ecommerce web store today and ready to take it to the next level?

If you answered yes to any of these questions, then look no further. Whether you’re embarking on an ecommerce site for the first time, or an existing E-tailer ready to expand even further, we have the programs that will help you expand your business.

Are you an existing E-tailer?
If you’re an existing E-tailer, ask about our Authorized Drive Online Retailer Program. Some of the many features include:

• Product drop shipping
• Access to Ecommerce Exchange section of www.drivemedical.com where you’ll find: Product content data feeds, images, videos and inventory updates
• Dedicated Customer Service team

Are you a new E-tailer?
If you’re embarking on a new ecommerce website or need an informational website to establish a web presence for your business, ask about our Web Builder Program.

The Drive Medical Web Builder team will get your website up and running in a matter of weeks. We do everything for you:

• Create and design web pages
• Upload the product catalog and provide monthly updates
• Provide a fully functional and secure web store

You focus on your business; we take care of the rest. For more information regarding the programs listed above, contact your sales representative or the Drive Medical Ecommerce Division directly by sending an email to ecommerce@drivemedical.com.
